Dear Easy Grass:

We had hoped that when your turf was installed, it would be well received by our customers. Quite frankly, we are amazed at the positive response.

Not only has Easy Grass fulfilled our expectation of enhancing the appeal and appearance of our seating and private party areas, it has created a warmer and more natural dining ambiance.

We salute you for your professionalism and timeliness during the installation.

Thanks so much for working with us to improve our overall dining experience.

Best regards.
