Dear Mr. Martinez:

We absolutely love our new Easy Grass playground surface, more important the kids do too.

We no longer worry about sand in their eyes or injuries from falls on dry, hardened surfaces when it hasn't rained or muddy conditions when it rains.

It is exactly what we had hoped for and the installation process was super professional.

On behalf of the children, teachers and members of the South Pointe Elementary PTA, please accept our appreciation for a job well done.

Please add our name to you list of satisfied customers.

Sincerley.
