The school district only wanted to work with SYNlawn's SYNrye 211 with the Class 1 and A fire rating. They replaced mulch with 94,620 square feet of turf worth $1,286,007.00 from Phase 2 and 64,575 square feet of turf worth $1,006,027.00 from Phase 1, which was already finished. They have a 2-inch playground pad for fall height and some areas have two layers of 2-inch pad for their extra tall play sets.
