

SYNLAWN®

Toddler Town Daycare Too Chicago, IL | Category: Play

8/2016

2,420 sq. ft.

SYNLawn 354

For an economical solution to having a new and fresh surface for the playground area, SYNLawn turf was used to cover the existing poured-in-rubber surface. It instantly created a new feel to the little users, and laying, rolling and playing around is more fun now!
