Play it safe with the Fall Pad™.

This added level of high-tech cushioning may help to minimize the chance for injuries.

Fall Pad™

The Fall Pad™ is a revolutionary new backing for Synthetic Turf that has superior resiliency and shock attenuation properties.

- SYNTHETIC TURF
- TURF CUSHION
- EXISTING PREPARED SUBBASE

20% Higher Performance vs Competition

As measured per ASTM F 1292-99 (HIC and Gmax ratings)

Turf Cushion is also 100% recyclable and can be reclaimed at the end of its useful service life. It is converted into pellets that can be used to make everything from toys, to containers, to plastic forks, to name a few applications.

CUSTOM CONFIGURATION

Turf Cushion can be configured to include drainage holes and has a Polyester Geothermal Barrier. The Fall Pad™ comes in 4’ x 5’ Blanks 2” thick making it easy to install. Alternate sizes and thicknesses are available.
