

PRODUCT FACT SHEET

SYNLAWN TURF CLEANER & DEODORIZER

ADVANCED SOLUTION FOR SYNTHETIC TURF MAINTENANCE

PRODUCT HIGHLIGHTS

EXCLUSIVE DESIGN FOR SYNLAWN NETWORK

Designed specifically for the SYNLawn network, this product offers tailored marketing support, special corporate pricing, and easy integration into existing offerings. It's a turnkey solution to generate topline revenue while adding value for end customers.

CO-BRANDED INNOVATION FOR TURF MAINTENANCE

This collaboration brings together SYNLawn's trusted reputation for premium synthetic turf solutions and OxyTurf's industry-leading synthetic turf cleaning technology. The result is a cutting-edge, commercial grade turf care product that delivers superior cleaning, deodorizing, and maintenance.

UNPARALLELED QUALITY AND ASSURANCE

SYNLawn's Cleaner & Deodorizer powered by OxyTurf combines the best of both worlds: SYNLawn's commitment to durability and sustainability, paired with OxyTurf's proven formulas ensures a clean, fresh, and well-maintained turf surface for any application.
